

## **Horse Board Cost Information**

- **Cost of Board**

Field board is \$180 per month per horse, which includes hay in the winter and an optional grain feeding (one time daily) at \$35 a month per horse (available all year long).

- **Other Expenses**

Trimming is completed between 6 to 10 weeks depending on the time of year – about \$20;

Worming is completed when trims are done – about \$13;

Spring vaccinations – usually around \$105;

Fall vaccinations – usually around \$60; and

Dentistry performed annually – cost is about \$65 per horse unless power work is needed and then cost will vary. Owners will be contacted if that is needed.

Unlimited blanketing application and removal - \$75 per month

Unlimited fly mask application and removal - \$50 per month

Any necessary medication application - \$3 per dose per horse

- **Our Facility Provides**

We have five different fields: 4 geldings (one for feed and/or older horses) and 1 mare;

All fields have run in sheds;

We have someone that does a hands-on check on all the horses 7 days a week;

We will put fly masks and blankets on if they are provided for the horse for an additional fee, and

We groom the horses in the warm months.

- **Requirements – All Information Before Entering Property**

An up-to-date Coggins;

Up-to-date vaccinations before acceptance into the program;

Botulism Tox. vaccination is required because we feed round bales; if your horse does not have the series of shots prior to arrival, he/she will get them when he/she arrives and 2 more boosters (\$26);

Optional fly masks and/or blankets of their own with horse and owner name written on items; and

Anything else that the owner would like their horse to have or use.

- **REACH Equine Facility**

24-hr veterinary horse hospital on the premises;

Veterinarian: Dr. Mitchell Rode, DVM;

Contact person is Ms. Dustie Taylor and can be reached at 540-837-3224;

REACH staff performs all vaccinations unless otherwise requested.
